CAUTERY - 10

REF: MGBA-13065; MGBA-13031

1. We have no identifiable record of CAUTERY 10's friend, Petrovich ANATOLII. You may have only CAUTERY 10's word for the progress made for quite a while, but this type of operation looks promising.

2. MGBA-13065 is encouraging and helpful in bringing our records up to date. Please let us know in your next progress report what happened to CAUTERYs 8 and 13, who were still active at the time of Progress Report MGBA-10372 of 18 October 1951.

3. The Agent Service Record is still a desirable routine, especially for sub-agents who have known other agents in their chain. Routine submission of these forms for all CAUTERYs dropped in the future will be appreciated.
